

# Science Project Research

Name: \_\_\_\_\_

Testable Question: (Keep in mind: what is your research topic and what will your experiment measure?)

---

---

---

---

3 Research Sources relating to your project idea: Author, Title of article, where it was found, and Date it was found. You may attach a separate sheet if necessary.

1.

---

2.

---

3.

---

HYPOTHESIS: Think about: your variables? What are you going to test in your experiment?

If

---

---

then

---

---
