

My flat

I live in Hackney.
My flat is on two floors.
It is on the ground floor and the first floor
of a terraced house.
It is in a quiet street
near the newspaper shop
and bread shop.

I have got one bedroom
and a sitting room, kitchen and bathroom.
The bathroom and the kitchen
are on the ground floor.
The bedroom is on the first floor,
next to the sitting room.

My flat is very sunny.
It hasn't got central heating
but the sitting room and the bedroom are warm.
The kitchen is cold in the winter
and sometimes it is damp.
The bathroom has got bad condensation.

I like my flat.
I feel safe there.
One neighbour is unfriendly
but the other neighbours are friendly and helpful.
