

Can you separate addition statements
and subtraction ones below?
And indicate which? Put a cross if false.

1. $12 - 12 = 12 - 12$
2. $24 + 12 = 12 + 24$
3. $54 - 12 = 12 - 54$
4. 12 added 12 is the same as 12 added 12.
5. 24 add 12 is the same as 12 add 24.
6. 54 subtract 12 is the same as 12 subtract 54.
7. $100 - 0 = 00$
8. $12 - 0 = 12$
9. Thirty five subtract zero is thirty five.
10. Twenty five subtract nothing is twenty seven.
11. If you subtract zero from a number, the number does not change.
12. $54 - 22 + 22 = 54$
13. $50 + 1 - 1 = 50$
14. $0 + 0 = 0 + 0 = 0$
