

## PRESENT CONTINUOUS

We use present continuous to describe actions that are happening now.

We make the present continuous with **the verb to be + the main verb+ing**.

Most of the times we can find the adverbs: **now** and **at the moment** with a present continuous sentence.

Affirmative	Negative	Interrogative

You are working (you're working)	You are not working (you aren't working)	Are you working?
He is working (He's working)	He is not working (he isn't working)	Is he working?
She is working (She's working)	She is not working (she isn't working)	Is she working?
It is working (It's working)	It is not working (It isn't working)	Is it working?
We are working (We're working)	We are not working (we aren't working)	Are we working?
You are working (You're working)	You are not working ( you aren't working)	Are you working?
