

## GETTING TO KNOW YOU

150 mins

“ This is a way for me to know a bit about you ”

- In pairs, you are going to interview the person sitting next to you
- Once the interview is complete, you will then report back to the class the information which you have learned about your fellow classmates
- You will have approximately 10 minutes for each partner to complete this task
- The interview questions you will be asking will be the following:
  - ① What is your name?
  - ② Where were you born?
  - ③ Where is your family from?
  - ④ What are your 3 favourite school subjects & why?
  - ⑤ What are some extra-curricular activities that you believe do not count? How do you define it?
  - ⑥ What is the one thing you would like your classroom to contain or have already?
  - ⑦ What are some careers that interest you?
  - ⑧ What is the one job that you are positive of when people have it?
  - ⑨ What do you plan on do after you Graduate from high school?
  - ⑩ What do you see yourself doing in 10 years? (approx 20 yrs old)
