The Assembly Line

To complete this chart, decide if each feature is found in a plant cell, an animal cell, or both. Draw a ✓ in the correct column or columns.

Symbol	Cell Feature	Color Code	Plant Cell	Animal Cell
	cell wall	red		
	nucleus	purple		
	cytoplasm	white		
	cell membrane	blue		
	mitochondria	yellow		
	vacuoles	orange		
	chloroplasts	green		
	chromosomes	black		
	nuclear membrane	brown		

Use the completed chart to draw and color your own plant and animal cells.
