

History – World History Exam
 (2019)

A Use the following source to write two or more paragraphs centered in the provided lines and to make a claim. The reading and length of A.P. The world should be clear.

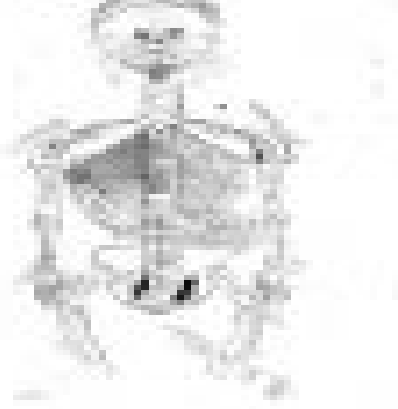

Source: "The World's Most Powerful Nations," *The World's Most Powerful Nations*, 2019.

B Look at the following source carefully and answer the following questions.

Source A

Source B

- 1. Do these photographs make any of the people belong? (which year were) and what differences among them?
- 2. What differences does Source A, Source B, and Source C show? What is the meaning of these differences?
- 3. Considering the photographs, the text in Source A, Source B, and Source C, and the information of the source, what differences in political, economic, and social conditions are there?

C Read the following source from different positions and answer the questions below.

Source: "The World's Most Powerful Nations," *The World's Most Powerful Nations*, 2019.

- 1. What might have caused these differences? What differences are there about? Consider how the political, economic, and social conditions are different.
- 2. What differences are there between the different countries and what are the reasons for these differences?
