

The Sower

Introduction

What does the parable of the sower mean?

When Jesus told the parable of the sower, he was talking about the different ways that people hear the word of God. Some hear it and do nothing with it, some hear it and do something with it, and some hear it and do something with it that leads to eternal life.

1. The sower was Jesus, who planted the word of God in the hearts of his listeners. The seed was the word of God, which was the message of the kingdom of God. The soil was the heart of the listener, and the birds and the thorns were the things that would prevent the word of God from taking root in the heart.
