

Directions: Research the articles of the United States Constitution.

The United States Constitution is the supreme law of the United States. It is comprised of the Preamble and seven articles. These Articles explain how the federal government interacts with the citizens, states, and people of the country.

1. In what year was the Constitution written?

2. What was the name of the group of men who wrote the Constitution?

3. Where were the Constitution and its Articles adopted?

Choose an Article of the constitution to explain.

Give an example of how the Article has been applied to citizens or states.
