How to Respond to Others' Comments or Ideas (ELA-Literacy.SL 7.1c)					
At first I thought that					
I agree with					
I want to add a comment about					
I disagree with					
I have more evidence for					
I found that comment interesting because					
I want to connect that comment to our earlier discussion of					
I have a question about					
I have an additional point to make					
I think that					
I would like to build on that idea					
I think	I believe	I imaging	I guess	I predict	
I disagree because		I	I don't quite agree		
I don't really agree because		I	I disagree with you entirely		
I have another idea		M	My idea is slightly different		
My idea is totally	different	I	I an swer somewhat differently		
I have a different answer		ľ	I'm not sure I agree with you 100%
