

# Antonyms

An Educator's Reference Book, Lesson Plan

## Grade Level: 1

### Subject(s):

- Language Arts/Reading
- Language Arts/Spelling/Children's Literature

### Description: 20-30 minutes

Description: Students will understand the relationship of antonyms through a read aloud, guided practice, and individual practice.

### Florida State/Capitol Standards for Language Arts:

- L.1.1.2 - Demonstrate the ability to read and comprehend texts about basic and abstract
- L.1.1.10 - Demonstrate the ability to use phonics and words to make predictions about texts and identify unknown words
- L.1.1.11 - Begin identifying unknown unknown words/words

### Objectives:

1. Throughout a lesson, students will be able to identify the opposite of a word given to them.
2. Students who are called out, students will write down the correct word to the opposite and give a synonym.

### Materials:

- The Opposite Opposite of All by David J. Shields
- Student copies of the worksheet already printed on their paper and pencils
