

Jobs

Name: _____

- Talk about the jobs these people doing.
- Put an X on the people who are not working.

Activities for teachers: This sheet could be used for a listening and speaking activity where the children talk about what is happening in the pictures. Encourage them to talk about the different jobs they can see. They could act out these jobs or other jobs following the activity and the rest of the class could guess. The teachers could also draw a picture of what they want to do one day.
