Bubble Colors

One of the most awesome characteristics of bubbles is their colors. When light bounces off the walls of a bubble, we see a rainbow of colors.

Solve the problems in the Bubbles. Find the answer in the code box below and color the bubbles.

Color Code:

6 = blue

8 = pink

12 = purple

15 = orange

7 = blue/green

10 = yellow

14 = red

16 = green
