

FOLLOWING DIRECTIONS

Name: _____

Directions: Carefully READ all of the questions before doing anything. You are to do all of your work in INK. DO NOT SHARE any information or answers with anyone.

You may begin now!!

1. Write today's date—month-day-year in the top-right hand corner of your paper.
2. Write the answer to the following multiplication problem directly underneath the date on your test paper— $6 \times 5 = ?$
3. Write your complete name in the top-left hand corner of your paper. (First, Middle, and Last name)
4. Add 10 to the answer you got in part #2, and write this new total directly underneath your answer for part #2.
5. In the lower-left hand corner of your paper, write the name of your favorite singer, your favorite music group, or favorite song.
6. Just above your answer to part #3, write "This paper is very easy."
7. In the lower-right hand corner of your paper, draw a rectangle and inside the rectangle draw a five-pointed star. The size of these drawings is not important.
8. Directly above your answer to part #7, draw a row of three small circles. Once again, size is not important.
