

How Well Can You Follow Directions?

Directions: Read each instruction carefully and do just what you read through the first time. **DO NOT** try to guess the instructions. If they give you trouble, hand in the instruction card.

You may begin now!!

1. Sit your name in the top right hand corner of this page.
2. Write the word "name" in the bottom middle line.
3. Draw three small circles in the lower left corner of this page.
4. Sit up "T" in the middle.
5. Write "yes, yes, yes" in the lower right hand corner of this page.
6. Circle the word "yes" in the first word written.
7. Draw a small square and the word "name" in the middle middle line.
8. If you had a problem following the directions carefully to the point, correct the mistake.
9. Write your name with the numbers 1-10 and 100.
10. Draw five small holes in the top of this page with the point of your pencil.
11. Show that you have finished making everything correctly, follow only directions 1 and 2 with the hand paper into your teacher.
