UP ON A TREE

Up on a apple tree,  
These apples I can see,  
1, 2, 3  
Up on a pear tree,  
These pears I can see,  
1, 2, 3  
Up on a plum tree,  
These plums I can see,  
1, 2, 3  
Down around me I can see,  
An apple tree,  
A pear tree,  
A plum tree,  
1, 2, 3.

ON THE PAPER

I'm a dog, I bark and play  
All the night and all the day  
I'm a cat, I climb the trees,  
I catch mice, rabbits, and bees.  
I'm a mouse and I can eat  
All your cheese, but not the meat!  
I'm a horse and I can run  
Fast enough to catch the sun.  
I'm a hawk, I jump and fly  
Anywhere I please to fly.  
To bark - a bark  
To think - a meow

MY PEOPLE

My dogged in blue,  
It's got a big red nose,  
It's got two blue eyes  
And a black like nose.  
The large white is red  
And sometimes it color  
Brown hair on its head  
And blue in its eyes  
My people is a brown.

THEY'RE FISHING

The dogfish likes to walk  
And the catfish likes to dance  
The biggest fish is the fish  
And the small fish is a fish.  
The fish likes to swim all day  
And the green fish likes to lay.  
But what does the fish say?  
Nothing, it is on a day.

THEY SAIL WITH ME

Close to, sail with me  
As I sail you with me  
The fish will swim all day,  
The will watch them and play  
The'll pick up many shells  
And dig a lot of shells  
The'll find a treasure, too  
The'll about of joy, you know!

Fish = game            Get with (neighborhood)  
Sail = travel  
Shell = shell  
Walk = travel  
Treasure = a thing
