

Fill in the blanks with the missing words.

The Climb - Hilary Cyrus

I can \_\_\_\_\_ see it  
That climb I'm \_\_\_\_\_ feel  
There's a voice \_\_\_\_\_ my head ringing  
You'll never \_\_\_\_\_ it  
Every \_\_\_\_\_ I'm talking  
Every \_\_\_\_\_ I make, I make  
Up with no direction  
My teeth in shaking  
But, I gotta keep \_\_\_\_\_  
Some \_\_\_\_\_ my head held high

reach	step
keep	struggle
reach	reach
climb	direction

There's always gonna be another \_\_\_\_\_  
You always gotta wanna make it more  
Always gonna be an uphill \_\_\_\_\_  
\_\_\_\_\_ I'm gonna have to face  
It's about how \_\_\_\_\_ I got there  
It's about what's \_\_\_\_\_ at the other \_\_\_\_\_  
It's the climb

sometimes	side
mountains	climb
just	working

The \_\_\_\_\_ I'm talking  
The chances I'm taking  
Sometimes might \_\_\_\_\_ me down, but  
We I'm not \_\_\_\_\_  
I \_\_\_\_\_ not know \_\_\_\_\_  
But these are the moments that  
I'm gonna remember \_\_\_\_\_ with  
Just gotta keep going  
And I, I gotta live \_\_\_\_\_

struggles	down
best	working
map	wrong
for nothing	at

Just keep \_\_\_\_\_ on  
  
Keep on moving, keep climbing  
Keep on faith, baby  
It's all about  
It's all about the climb

Keep the faith  
Keep your faith
