## 's Think Sheet

I can think about my choices and how they affect ME and others.

## What I chose to do:

kick

hit

not work

push

pinch

bite

use unkind words

throw something

talk or scream

It made

feel:

sad

scared

frustrated

## Next time I can choose to:

have SAFE feet

say "I need

have SAFE hands

ask someone to

use kind words

follow directions

listen and not talk during

stay in my work

ask for a calm break

say, "I don't understand."

## When I make a positive choice like that:

others will want to be with me

others will feel good around me

others want to play with me

people will know that I am kind

I will feel proud
