

THE CONFEDERATE STATES OF AMERICA

Color the CSA Flag

The Confederate States of America was founded in 1862 by a man named Jefferson Davis. This Confederacy was made up of 11 states that seceded from the Union, or the rest of America. These states decided they wanted to make their own constitution and government. However, Abraham Lincoln, the president of the United States of America, didn't want his country separating. From this the Civil War began.

Explain who or what the confederated states are based on the paragraph.
