

# Similes

Some similes, such as "like a house on fire," are called clichés because they are so common that they have very little impact. It is a good idea to use new similes in your writing, as they attract interest and help your reader to imagine what you are describing. Remember: A simile is something compared with something else to create an image in the reader's mind. It usually includes the words like or as.

Practice writing new similes by thinking of original comparisons for these adjectives.
