

INFERENCE ACTIVITY

Begin by reading the story Don't Take a Shortcut to the District or Kentucky Stands Definitely NOT Wear Clothing

Allow the students to infer while reading the stories.

Then allow the students to create their own. Use a large 17x20 piece of construction paper. On one side give the Don't page. On the other side, give the What page. Allow the student to create their own version of the story you read. When both sides are done - staple the Yes You Infer sheet over the top of the picture. Place on a bulletin board and allow other students to practice their inference skills.
