

Name: _____

Identifying Figurative Language in *Lord of the Flies*

Directions: Write about each figurative language used in the text. Then, explain how you know your answer.

Answer: Similes, Metaphors, Personification, and Hyperbole

Example: "It was the only way to the island when the tide went out," said the boy, with a mouth full of pebbles.

What figurative language is being used?

Personification

How do you know? Explain.

Since you can't see the tide, you personify it as something that can speak.

1. "Within the regular sea of coral the jagged rock-rafts of a mountain lake."
