

# Months

Guess the name of each month. How many items does each month give you?

- An apple for September
- Four leaves for October
- Nine raindrops for November
- Six snowflakes for January
- Three little seeds for March
- Eight eggs for April
- Five gifts for December
- Seven birds for May
- Two snowdrops for February
- Ten daisies for June
- One little bucket in the sand for July
- One long leaf for August

			
September	October	November	December
March	April	May	June
January	February	July	August
