

Name: _____

Map: Europe - Spain

Learn map skills

Use a map to find the answers to the following questions

What country forms part of Spain's northern border?

What country borders most of Spain to the east?

What is the name of the bay located north of Spain?

What is the capital city of Spain?

Name two more cities in Spain.

What is the name of Spain's southern sea region?

If travelling from the city of Valencia to the island of Mallorca, which direction would you be going?

Is the city of Córdoba located north or south of Spain's capital city?

On the back of the sheet, draw a rough map of Spain. Label the capital and at least two other cities, and any other major features you can recognise, such as mountain ranges and rivers.
