Writing Process Worksheet

Be more confident you are of your writing process, the more that your writing will improve. Please write **thoroughly**. In other words, your composition will be the strongest it can be if you write a full essay without paying attention both to the consideration being given to audience, your thesis statement, transitions, etc.)

i. Topic/Subject

(List possible topics for your essay)

| | | |
|-------|-------|-------|
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |

ii. Explanation of your Selected Topic/Subject

iii. Theoretical Topic/Audience(s) (not the reader)

iv. Do What Why (Should Readers Care about your Subject? Why is it relevant?)

v. Working Thesis Statement
