**Say these specific directions to the student:** *When I say "Begin", start reading aloud at the top of this page. Read across the page (demonstrate by moving your finger across the first line of the story). Try to read each word. If you come to a word you don't know, I will say the word for you. (Give the child the correct word after 3 seconds.) Read as quickly and accurately as you can, but do not read SO fast that you make mistakes. Do your best reading. The title of the story is "Ants". Ready? Begin -*

#### **Ants**

Ants are little.	3
They are less than an inch long.	10
Ants dig tunnels and make nests.	16
The nests can be in logs or under rocks and plants.	27
You can see ants run fast if you pick up the rock that they are under.	43
When the sun is up, ants walk a lot to look for food.	56
They look for seeds, insects, and bits of food that have been left.	69
All day long the ants dig tunnels or bring food back to the nest.	83
When the sun goes down, they go back to their nest to rest.	96
Ants are not the same.	101
They can be brown, red, or black.	108
Some ants bite or sting.	113
Some ants have wings.	117
Ants can come in homes if they see a crack to let them in.	131
We do not like ants in our home.	139
We call them pests if they come in.	147
