Read the story and answer the questions.

This is Sam. She loves springtime when the rain begins to pour, and the flowers start to bloom. Sam's favorite part about spring is catching butterflies and letting them sit on her finger. She also loves planting flowers going fishing with her brother and riding her bike down by the neighborhood reservoir. She also loves going to the park and playing soccer with her friends, even in the rain. Her least favorite part about spring is when her mom calls her in for dinner. She loves being outdoors in the spring!
