

Every name is called a **NOON**,
As cold and frozen, open and new.

In place of another **PLUCKED** name,
As the soldier and the fisher's name.

The **REPUTATION** describes a thing,
As huge, wonderful, and strong.

The **YER** means action, something done
To our and to us, to us and to us.

How things are done, the **ADVICE** will
As good, as bad, as true, as well.

The **PRESENTATION** shows relation,
As in the street, or at the market.

CONNECTIONS join, in many ways,
As names, as words, or phrases or as plays.

The **INTERACTION** is a word, that
Shows a relation with my way?

Through Poetry, we have here made
Of these and of us, **THE PARTS OF SPEECH**.
