

You may not be her first, her last, or her only.
She loved before she may love again.
But if she loves you now, what else matters?
She's not perfect - you aren't either, and the
two of you may never be perfect together
but if she can make you laugh, cause you to
think twice, and admit to being human and
making mistakes, hold onto her and give
her the most you can. She may not be
thinking about you every second of the day,
but she will give you a part of her that she
knows you can break - her heart. So don't
hurt her, don't change her, don't analyze and
don't expect more than she can give.
Smile when she makes you happy, let her
know when she makes you mad, and miss
her when she's not there.
