

SNOW

**Snow is falling
From the sky above
Snow is falling
Put on scarf and gloves.**

**Snow is falling
What a beautiful sight
Snow is falling
It sparkles in the light.**

**Snow is falling
Soft cotton wool flakes
Snow is falling
A white blanket it makes.**

**Snow is falling
It's time to play
Snow is falling
Let's make snowmen today.**

Draw a snowman and colour the hat black, the scarf blue, the brown brown and yellow, the nose orange and the buttons black.
