

TABLE 1: Current and Projected Preschool Enrollment, 2008-09

Directions -- Please read before completing the form.
 1. Select your district name from the drop-down list. The spreadsheet will automatically fill in your projected universe of eligible children based on 2007-08 1st Grade ASSA data.
 2. Fill in the remaining current and projected enrollment information below. Under "2007-08 Actual Enrollment," enter your actual enrollment on October 15, 2007. Under "2008-09 Projected Enrollment," enter the total number of at-risk three- and four-year-olds the district plans to serve full-day. The totals and percentages below each table will calculate automatically.
 3. Each row represents a mutually exclusive category. Do not count any child on more than one line, or an overcount will result.
 4. Each child must be listed as either receiving a half-day education program or a full-day education program.
 5. Only special education students who receive their entire instructional program in an inclusive environment should be listed under "Classified special education children in regular education classrooms (full-time only)."
