

Productive Resources

Directions: Draw a picture of one capital resource and one natural resource for each human resource shown. Remember a capital resource is a tool that a human resource uses and a natural resource is a resource that is found in nature.

Human Resources	Capital Resources	Natural Resources
 <p style="text-align: center;">Teacher</p>		
 <p style="text-align: center;">Farmer</p>		
 <p style="text-align: center;">Mechanic</p>		
 <p style="text-align: center;">Chef</p>		
 <p style="text-align: center;">Car</p>
