

Read the poem **The Twins** by Henry S. Leigh and complete the following.

1. The main characters in this poem are twin \_\_\_\_\_.
2. What two complications do the twins encountered as children?

---

---

---

---

---

3. What problem arises when the twins become men?

---

---

4. What is the final problem encountered by the twin brothers?

---

---

5. In this poem, the poet gets in blamed for things his brother does. Write about a time that you were blamed for something you did not do. How did you feel? What corrective action (if any) did you take?

---
