

Name _____

Date _____

**Chemistry Worksheet
Chapter 10: Organic Chemistry (10)**

QUESTION	ANSWER	QUESTION	ANSWER	QUESTION	ANSWER	QUESTION	ANSWER
				What is the name of the functional group in the following molecule?			
		What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?	
	What is the name of the functional group in the following molecule?			What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?	
		What is the name of the functional group in the following molecule?				What is the name of the functional group in the following molecule?	
		What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?			
		What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?			
		What is the name of the functional group in the following molecule?		What is the name of the functional group in the following molecule?			

Question 1: Answer the following questions using the table provided.

1. What is the name of the functional group in the following molecule? _____
2. What is the name of the functional group in the following molecule? _____
3. What is the name of the functional group in the following molecule? _____
4. What is the name of the functional group in the following molecule? _____
5. What is the name of the functional group in the following molecule? _____
6. What is the name of the functional group in the following molecule? _____
7. What is the name of the functional group in the following molecule? _____
8. What is the name of the functional group in the following molecule? _____
9. What is the name of the functional group in the following molecule? _____
10. What is the name of the functional group in the following molecule? _____
11. What is the name of the functional group in the following molecule? _____
12. What is the name of the functional group in the following molecule? _____

Question 2: Answer the following questions using the table provided.

1. What is the name of the functional group in the following molecule? _____
2. What is the name of the functional group in the following molecule? _____
3. What is the name of the functional group in the following molecule? _____
4. What is the name of the functional group in the following molecule? _____
5. What is the name of the functional group in the following molecule? _____
