

# Space Race

The worksheet is titled "Space Race" and features a large rocket ship graphic. The rocket's body is divided into several segments, each containing a different 3D geometric shape. The shapes are: a sphere, a cube, a pyramid, a cylinder, and a cone. A legend at the bottom right of the page identifies these shapes with labels: "Cube", "Pyramid", "Cylinder", and "Cone". The rocket is decorated with stars and planets. The word "SPACE" is written on a planet at the top left, and "ROCKET" is written on a planet at the bottom left.
