

1. What does the left side do?
2. How does the left side work?
3. How do you know it is the left side? (Use the underside of hands and feet.)
4. If I scratch myself, what is damaged and I ...

### WORKING WITH THE LEFT SIDE

Help the children to arrange the labels.

### Now write what you found

1. What I scratch myself, I ...
2. What I hold myself, I ...
3. What I eat myself, I ...
4. What I breathe into me, I ...

*An easy activity. Don't forget to stimulate a sound.*

### THE POWER OF THE LEFT SIDE (FOR THE LEFT SIDE OF THE BODY)

Write the left side of the body, left side.

Write the right side of the body, right side.

Write the left side of the body, left side.
