

### What's The Purpose?

If it's used to measure  
**weight,**  
color it.

If it's used to measure  
**length,**  
color it.

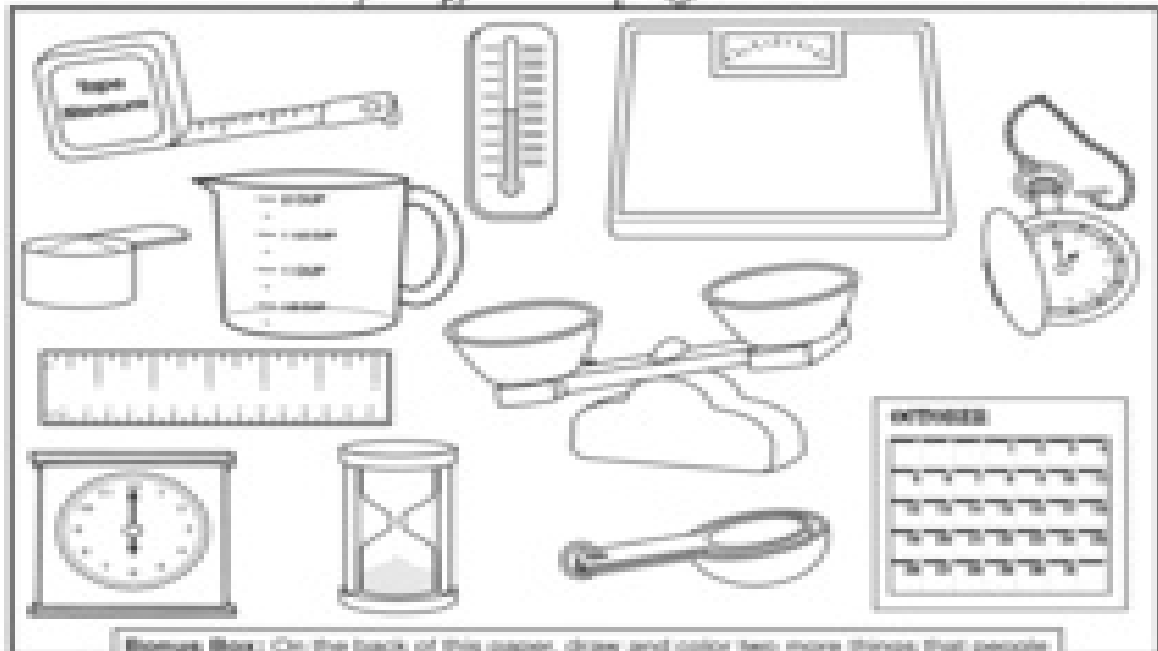

If it's used to measure  
**volume,**  
color it.

If it's used to measure  
**time,**  
color it.

If it's used to measure  
**temperature,**  
color it.

**Bonus Box:** On the back of this paper, draw and color two more things that people use for measuring.
