

What's a paper bank?

How much money do you think you need to be rich?

What's a trillion, a million, or a billion?

What is the currency in your country?

What is an exchange rate?

What's the difference between a worker and a farmer?

What's credit and how's it usually used?

What's pocket money?

What was the last expensive thing you bought?

What would you buy if you had a lot of money?

Does money make you happy?

What's a cash machine?

Do you want more, or save more money?
