

This handwriting practice sheet is designed for learning the number 5. It consists of five rows, each with a set of three horizontal lines: a top solid line, a middle dashed line, and a bottom solid line. The first row contains five dashed outlines of the number 5, each with a small arrow at the top left indicating the starting point and direction of the stroke. The second row begins with a dashed number 5 on the left side, followed by four solid black dots placed on the middle dashed line. The third, fourth, and fifth rows each contain five solid black dots placed on the middle dashed line, providing a starting point for independent practice of the number 5.
