

How many wheels?
How many eyes?
How many antennae?
How many triangles?

Head & Neck

This robot hasn't got arms.

This robot hasn't got hair.

This robot hasn't got arms.

This robot hasn't got legs.

This robot hasn't got a neck.

This robot hasn't got hair.

This robot hasn't got eyes.

This robot hasn't got a mouth.

This robot hasn't got a nose.

This robot hasn't got a body.

This robot hasn't got hands.

Draw the perfect robot.
