Read the clues. Then write the words.  
Start at the bottom and climb to the top.

A ladder with seven rungs. At the bottom of the ladder, the word "soil" is written in large, bold letters. Each rung of the ladder has a dashed line across it, indicating where to write a word. Five boxes with clues are connected to the rungs by lines:

- Top rung:** A sunny day. Change one letter.
- Second rung from top:** Happiness. Change one letter.
- Middle rung:** Mr's got. Take away the last two letters. Add one letter to the end.
- Second rung from bottom:** Something to play with. Change one letter.
- Third rung from bottom:** Sticky hot water left in the. Change one letter.
- Bottom rung:** To put two or more things together. Take away the last letter. Add two letters to the end.
