

6th Grade Math Schedule

Students should spend no more than 20-30 minutes a night on their math homework. "Studylinks" are the homework worksheets that will be passed out for that night. The night before a test, homework will be review, which consists of looking through their journal pages for that unit. A few websites for extra math

Week of:	Monday	Tuesday	Wednesday	Thursday	Friday
11/30/09- 12/4/09	4.2 Comparing Fractions Studylink 4.2	4.3 Adding and Subtracting Fractions Studylink 4.3	No Math Early release	4.4 Adding and Subtracting Mixed Numbers Studylink 4.4	Review Homework: Odds Numberworks
