

Capital letters and full stops

- Capital letters are used for names (people) and the beginning of sentences.
- Re-write the passage in past tense and insert the missing full stops and missing capital letters.

It was a freezing cold day. It had been snowing all night in London town and I went outside to play in the snow. When we had to stop this month since since we went skiing in France last year. Unlike today was right when he said that we would wake up this morning and see white
