Apostrophe in Contraction Worksheet

A contraction is a shortened version of a written or spoken form of a word.
An apostrophe is used to form contractions.

Ex. it is- it's he is- he's they are- they're

Directions: Add an apostrophe to each pair of words below to form a contraction. Then, write a sentence with each contraction.

Example A: she is

Answer: she's- *She's a very reliable student.*

1. he will- _____

2. who is- _____

3. that will- _____

4. we are- _____

5. they are- _____

6. they would- _____

7. you will- _____
