

Name _____

How many gifts is the santa carrying?
Add the gifts to find out.

A mathematical equation represented by illustrations. On the left, there is one gift box with a bow and a holly leaf on top. This is followed by a plus sign (+). To the right of the plus sign is another gift box, identical to the first. This is followed by an equals sign (=).

A mathematical equation represented by illustrations. On the left, there are two gift boxes side-by-side, each with a bow and a holly leaf on top. This is followed by a plus sign (+). To the right of the plus sign is one gift box, identical to the others. This is followed by an equals sign (=).

Total = _____
