

Name _____

Date _____

ELAPSED TIME

John needs to keep a journal for school that tells him how long certain events took. He remembers when he started and finished each one but isn't sure how long they took.

Help him figure out how long each took!

- Football Game: 3:30 PM until 5:55 PM
.....
- Ana's Birthday: 12:10 PM until 4:50 PM
.....
