

Good Choice/Bad Choice Relay Game

Separate children into two lines. Identify a starting line and place tape on the floor. Children should line up behind the tape. Make two sets (1 each) of Good Choices/Bad Choices signs and tape or hang on the wall at the opposite end of the room. A monitor reads each statement. As they finish reading the statement one team member from both teams runs down and touches the Good Choice or Bad Choice sign. Keep score for each team.

1. If a skunk comes near you it is a **good**/bad choice to go away from it.
2. If a bull is snorting it is a **good**/bad choice to stay away from it.
