

## The Scientist - Coldplay

Come up to meet you, tell you I'm sorry  
You don't know how lovely you are  
I had to find you, tell you I need you  
And tell you I set you apart  
Tell me your secrets and ask me your questions  
Oh let's go back to the start  
Running in circles, coming in late  
Holding on to science apart

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start

I was just guessing at numbers and figures  
Pulling the puzzle apart  
Questions of science, science and progress  
Don't speak as loud as my heart  
Tell me you love me, come back and haunt me  
Oh, when I rush to the start  
Running in circles, chasing tails  
Coming back as one one

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start
