### Contractions

A contraction is a short way of saying two words. We use an apostrophe to show where letters have been left out.

**Directions:** Draw a line from the contraction to the two words it stands for.

- |             |           |
|-------------|-----------|
| 1. Didn't   | Could not |
| 2. Isn't    | Has not   |
