

## Checking Account

### A. Reading

Rene is engaged to her boyfriend Kyle. They plan to get married in May, and they are celebrating it with a month-long wedding and honeymoon. Kyle wants to open a joint checking account to help with their money, but Rene wants to. She likes having her own bank account. She has a savings account and a checking account, and she doesn't want another account. Kyle is stressed with his money, and if he opens a joint account with Rene, he might not have to explain why she withdraws money from the account. He might even tell her why she takes the money out of the account. He thinks that Kyle doesn't trust him. He said they can't get married if the bank says no. What should Rene do? Should she open a joint checking account with Kyle?
